★ **Research Ethics/Freshman Seminar for Foreigners/Korean language for Foreigners/English Thesis Writing** → NO Credit recognition (Pass/Fail)

4. Designated Subjects (only required)

On the date of admission result notification some of admitted students will find that several designated subjects are assigned to them because of major difference between at their former university and at Inha University.

① **Period: Aug 12(Wed) 09:00 - Aug 13(Thr) 16:00**

② Go to the INHA portal (<http://portal.inha.ac.kr>) and enter your ID and password.

③ And then, Click "INS(학사행정) → Courses(Graduate) → “Course Registration of the designated subject” subsequently.

④ When they want to register one of their designated subjects, they are allowed to take max. 12 credits for a semester. Credits of designated subjects in undergraduate course will not be added for total credits nor affect your C.G.P.A, whereas those in graduate course will be added for graduation requirement and affect your C.G.P.A.
